AMSTERDAM

## **PAN Amsterdam**

The thirtieth PAN Amsterdam runs from 20 to 27 November 2016 in the RAI conference centre in Amsterdam. The annual fair for art, antiques and design offers experienced collectors as well as those new to the art market an extraordinarily broad choice from many thousands of works of art. The fair reflects the spirit of the time with the slogan 'eclectic living, eclectic collecting'. The different art disciplines are interspersed throughout the fair to create surprising cross-pollination. This mix and match stimulates the senses, seduces and opens the eyes to the wide range of items offered by the more than 120 exhibitors, who together present a complete picture of the Dutch art market. New to the fair this year is PAN Podium, with a varied programme of inspiring, interactive presentations; a mine of information about the different aspects of art and the art market ([www.pan.nl/panpodium](http://www.pan.nl/panpodium)).
