Internationally acclaimed photographer and director Michel Haddi is celebrated for his powerful visual storytelling and unmistakable style. For over three decades, he has captured the essence of fashion, film, and celebrity through striking, intimate portraiture that transcends mere glamour.

Working across major fashion capitals - London, Paris, Milan, New York, and Los Angeles - Haddi has photographed some of the most iconic figures of our time. His portraits reveal a rare ability to see beyond the façade, offering a raw and cinematic glimpse into the personalities behind fame.

This portrait of Kate Moss epitomizes his signature approach: elegant yet unguarded, timeless yet immediate. Now based in London, Haddi continues to expand his creative legacy through MHS

Publishing, producing limited-edition books from his extensive archive. His collaboration with Hungry Eye Gallery marks a new chapter in a career defined by boldness, sophistication, and enduring vision.
