America's Cup

This limited edition unfurls the story of America's Cup and celebrates its skippers, owners, defenders, and challengers. Packed with previously untold tales and unseen photographs, it features a case designed by Marc Newson, crafted from cotton sailcloth, and a custom-made closure by Louis Vuitton, the official partner of the 37th America's Cup. Copies 1-175 come with a numbered carbon fiber bookstand also designed by Newson.
