A State of Flow

Oxides and pigments on flat and curved copper, black steel frame
152 x 76 x 5 cm
2025

'A State of Flow' explores movement as the essence of existence; a continual journey from what was to what is becoming. It serves as a reminder of the importance to stay in motion, to focus on moving forward while remaining open to what arrives. In this state of flow, form and being are never fixed, but always evolving. An acknowledgement that change is the only true constant in life
