a daring little adventure

a daring little adventure

Dutch master of the clear line, The van den Boogaard, will exhibit a large amount of selected works from his haydays. The character mr. Ponsford (Sjef van Oekel in Dutch)

was drawn by van den Boogaard, texts were written together iwth Wim T. Schippers who passed away earlier this year.

You can now own a unique original drawing. Stop by the stand of Comic Art Masters and possibly meet the artist who will be there at several occasions.
