Empty River Bed

71 x 100 cm, Sisters, Oregon, USA, 2021

During PAN, we will be exhibiting a number of landscapes from the ongoing project 'Michael', in which Bieke investigates the disappearance of a man she met in Portland, Oregon. After he gave her three suitcases containing scrapbooks and archive material, he suddenly vanished. Since then, Magnum Photographer Bieke Depoorter has embarked on a quest to find out his whereabouts and, at the same time, has begun to delve into this person's identity.
